Dear Parent(s),

Thank you for your recent inquiry about Rose Scharlin Co-op. We hope this information packet is helpful to you, and that you find yourselves attracted to our unique school. If you need more information, we encourage you to speak to the parents on the Membership Committee. Please call the school to obtain their phone numbers.

If you decide that Rose Scharlin may be a good match for you and your child, and you wish to be considered for enrollment, you will need to be put on our Waiting List. In this packet we have enclosed a Waiting List application for you to fill out and return to us with a non-refundable \$\_\_\_\_\_ application fee. Please make the check payable to Rose Scharlin and send it to the attention of the Director. If this fee is a hardship for your family, please contact us to make other arrangements.

The Membership Committee will contact you if we anticipate an open space in our current or fall enrollment, or to invite you to an open house. If there is an opening, we will ask that you and your child visit our school. Your visit is a good time to see how a day at Rose Scharlin goes—kids and all!

We look forward to getting to know you and your child. If there is anything else we can do to help during this enrollment process, please contact us; we are here to help.

Sincerely,

Janet A. Young  
Director
